Political contributions are not tax deductible as charitable contributions for federal and state income tax purposes. Contributions to the REALTOR® Action Fund are voluntary, but you may give more, or less, or nothing at all. Failure to contribute will not affect an individual's membership status in the California Association of REALTORS® (C.A.R.). Contributions will be allocated among three of C.A.R.'s political action committees (PACs), according to different formulas approved by C.A.R. for personal and corporate contributions. These PACs are: CREPAC (supports state and local candidates); CREPAC/Federal (supports federal candidates); and CREIEC (makes independent expenditures in support of or opposition to candidates). C.A.R. also sponsors IMPAC which supports local and state ballot measures and other issues that impact real property in California. The allocation formula may change including redesignating a portion to IMPAC.
