IMPORTANT: Kindly fill out the below form in its entirety.

The REALTOR® Party of California Leadership team is excited to share how local Association of REALTORS® can create a simple REALTOR® Action Fund fundraising game to add to any existing local AOR event (please note this cannot be done in conjunction with new member orientation).

These "games" are designed to provide the opportunity to maximize your Association's ability to educate and inform your peers on the importance of the REALTOR® Action Fund.

All items relating to the "game" are reimbursable through the local AOR's LCRC sub-account, i.e. prizes and items to conduct the game.
